SHEEP MEN ENDORSE U. T. JONES

A good representation of the sheep men of the county met in the office of the Cedar Mercantile Co. Tuesday night, pursuant to an official call sent out by the secretary, and took official action respecting several matters of special concern to the sheep industry.

Secretary H. H. Lunt of the County Sheep Association read the call and stated that the chief object of the meeting was to select and endorse a man for membership on the State Board of Sheep Commissioners, the action of the association to be brought to the attention of the governor, with whom the appointment rests.

The following wellknown sheep men were placed in nomination: U. T. Jones, John J. G. Webster, John C. Pace, Harry Thorley and Lehi W. Jones. The result of the ballot gave the honor to U. T. Jones. A resolution was then passed instructing the secretary to send a copy of the proceedings and the resolution to Senator Henry W. Lunt and Representative Wilford Day, with the request that they use all honorable means to secure the appointment of Mr. Jones.

The members of the county association take the position that inasmuch as Iron county contains more sheep than any other county in the state, one of the members of the State Commission should be appointed from this county as a matter of right.

In the person of U. T. Jones the county association has recommended a man who would be a distinct credit to the state, a man of integrity, standing and influence, and one whose long and successful experience in the sheep industry fits and specially qualifies him for the position for which he has been recommended, and the governor could not find a more logical candidate in the state.

The matter of the appointment of a member of the State Land Board was then taken up and discussed at length, and action was taken by the passage of a resolution endorsing John L. Sevy of Panguitch for the position. It is urged that Mr. Sevy is well acquainted with all land business in the southern part of the state and consequently is well fitted for a place of the and board. He will have the united support of the people of this section for the position.

A resolution was then passed instructing the secretary to negotiate with woolen manufacturers for the sale of the wool of the members of the association direct, instead of through jobbers.

After considerable discussion it was decided to ask the legislature to pass a bill requiring a certificate of sale to be delivered to a purchaser of state lands before any interest can be exacted on deferred payments, and the subject was ordered referred to the members of the legislature from this county.

The Marlin Repeating Shotgun
12 or 16 GAUGE
\$21.60
Made famous by its dependability. The solid top and side ejection keep gases and powder away from your eyes; help quick, decisive rip at shot. Rain, dust, snow and foreign matter can't get into the action. The mechanism is strong, simple, wear-resisting. The double extractors pull any shell instantly; two special safety devices prevent accidental discharge while action is unlocked, and an automatic recoil block makes heavy firing harmless. All Marlin are strongly made, finely balanced, accurate, hard hitting guns, and are the quickest and easiest to take down and clean. Illustration shows Model 24 grade "A" 12 gauge; it has all the features that make for a perfect gun. Send three stamps postage today for our 136 page catalog describing the full Marlin line. **The Marlin Firearms Co.** 42 Willow Street New Haven, Conn.
It pays to reload your shells. Your empty fired shells are the expensive part of factory ammunition. They're as strong and good as new, and it's easy to reload. Merely drop and re-cap shell, insert powder, crimp shell on to bullet. You reload 100 .32-40 S. & W. cartridges (buying bullets) in 13 hours at total expense 77c; casting bullets yourself 88c; new factory cartridges cost \$2.52. Free—Ideal Hand Book tells all about reloading all rifle, pistol and shotgun ammunition; 160 pages of valuable information; free for 3 stamps postage. **The Marlin Firearms Co.** 42 Willow St., New Haven, Conn.
